

CMS First Lottery Results by Program

Feb. 28, 2009

Below are results of the first CMS magnet lottery. Listed for each program are the total number of children receiving seats, and the total children in the wait pool. Notes:

(1) **Phase out** – The program is being phased out and is closed to incoming students.

(2) **Continuation only** – The students represented are continuation students. These programs are closed to incoming students.
