

# Reading achievement and household economic disadvantage

Percentage of economically disadvantaged students at CMS elementary schools, with schools listed by their 2013-14 A-F grade in reading.

**Sources:** Report Card A-F grades, released by the N.C. Department of Public Instruction on Feb. 5, 2015 use test data from 2013-14. Economic Disadvantage data is from NCDPI report "Disaggregated State, School System (LEA) and School Performance Data for 2013-2014." Both datasets downloaded from <http://www.dpi.state.nc.us>.
